

Name/timing of market	Keynsham Farmers' Market Second Saturday of each month(9am-1pm)
Address and postcode	Market Walk, Keynsham, BS31 1FS This is in the new pedestrianized town centre
Day manager/contact details	Adam can be texted on 07980 191617
Indoor/outdoor	Canopy market in the pedestrianized town centre next to the High Street. It is a windy location so weigh down your leaflets. If the wind is above 20mph we must cancel the zap canopies and traders must bring their own gazebos to be able to trade (usually 3 x a year) so worth investing in a heavy weight gazebo.
Table provided/needed and space available	A 3m x 2.5m canopy is provided, but bring your own tables. Stall shares can sometimes be negotiated.
Electricity	A popup electricity unit is available but needs to be arranged in advance. You will need leads, an outdoor plug and PAT tested equipment
Unloading and parking	Market Walk has an adjacent unloading area-please unload quickly and park your car before setting up your stall. Parking is free of charge in the Bath Hill Car Park, five minutes away down the hill. As loading space at the end of the market will not accommodate everyone, the day manager may use a rota to ease congestion
Toilet facilities	There's a public toilet in the nearby Library/One Stop Shop during opening hours or alternatively ask to use the toilet at one of the cafes.
Refreshments	Hot drinks are available from a variety of cafés on the same site including the Library café. One of them comes and takes orders and delivers to traders breakfast & hot drinks!
Any other useful information about the market for a new trader	We have a large local customer base and a good profile in the town with support from the Town Council, BANES and Thatcher +Hallam our sponsors.
Prices	£27 on the day (£5 discount for veg/plants)
